„Klub Dialogu has delivered substantially beyond my expectations in nearly every category of service, from office management to conduct of my lessons. The office staff is eminently professional, making changes to my weekly schedule and other administrative matters have been simple and straightforward”.

Embassy of the United States of America

„What was very helpful were the intensive weekend courses and the practical lessons on the street and in shops and restaurants. I very much enjoyed the trip to Kazimierz, driving through the landscape, experiencing that it was possible to have a conversation in Polish with the whole group and getting to know other people in the same situation”.

ING Nationale - Nederlanden

„What was for me significant in the offer of Klub Dialogu, was the flexibility in organization of the course. I had the possibility to adjust the lessons to my schedule and to choose my office as the classroom”.

Instituto Italiano di Cultura

„Given this very positive experience in a highly demanding multicultural milieu the College of Europe can support all applications which Klub Dialogu may make for developing innovative ways of teaching Polish to foreigners”.

Klub Dialogu Polish Language School

offers a wide variety of classes and workshops which aim to explore various aspects of Polish culture. Our educational and cognitive strategies support foreigner's acclimatisation to life in Poland.

www.klubdialogu.pl

Our methods

- firstly: communication

The programme is based on a communicative approach to language and gives grammar a subordinate role.

- secondly: Polish in Polish

By using only Polish language we improve the effectiveness of learning. Our students are enabled and encouraged to use Polish from the very first few lessons.

- thirdly: each lesson means new skills

Through skillful planning of the learning process student's language competence increases after every lesson.
